

DON'T BUST YOUR BASH. (OR YOUR WALLET!)

HERE'S THE PARTY WE'RE BRINGING FOR A PRICE YOU'LL WANT TO MARRY.

CURATED PLAYLIST

Get ready to groove with our pre-recorded music playlist during breaks, openings/closings, and special requests! We'll create a personalized mix based on your preferences, including your choice of must-play and no-go songs. Remember that while you can request any song you want, we may not be able to play them all due to time constraints.

LIVE MUSIC REQUESTS

Ready to rock your reception? Let's bring the tunes for special dances like the first dance, parents' dance, wedding party dance, grand entrance, sendoff, cake cutting, and bouquet toss. One free live song request is included, and you can add up to four (4) more for \$50 each. If your favorite song isn't on our list, give us a month's notice and we'll make it happen! Recorded requests for these moments are also available at no extra charge.
